**Montemerlo crest from,
14th century palace of
Reinero Montemerlo**

Silvio Montemerlo's ancestor, Reinero Montemerlo had a palace in northern Italy in the 14th Century. The Montemerlo family existed in Tortona, Italy in 1100 AD. From 1100 AD to 1850, the Montemerlo family was one of the largest and most important in Tortona.

The Montemerlo family is about evenly split among the countries of Italy, the United States and Argentina in the year 2020. There are Montemerlos in South Africa and Australia. There were Montemerlos in Spain and France in the 1900s, but they can no longer be found

A town named Montemerlo exists not far from Venice, but no-one named Montemerlo ever lived there.

This album can be downloaded from archive.org
At that website, do a search on "Montemerlo Photo Album" and you will find it.

You can take the computer file for this Photo Album to a local printer, such as Office Depot or Staples, and have them print out a Black & White, double-sided, bound copy of the Photo Album at a reasonable price.

Thank you very much.

Mel Montemerlo: son of Leo & Lena Montemerlo,
grandson of Silvio & Chiarina Montemerlo.
